

COMING SOON: SALUTE

Recollections of Malaysian Military History

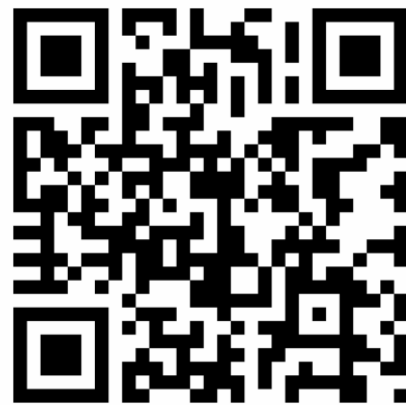

MMHTA's inaugural biannual e-Publication

Our Veteran's legacies and voices are growing and echoing globally. We started modestly with the Human Life Series at Taman Tugu, Kuala Lumpur in 2019.

Today we embark into an e-Publication to appropriately place our legacies for posterity and to reach a wider global and local readership.

I am interested to
receive a copy of
SALUTE
ePublication
